Console Winch CW700

Product information

This spur gear winch is fast (2,2 m/min), easy and can be mounted on both walls and floors. The free spool option makes it posible to disengage the drum from the winch to pull out the wire quick. In addition to IP54 water resistance, this winch is also available zinc plated and stainless steel 304 and 316.

- protection classification IP54
- load pressure brake with double ratchet system for safe stable hold of the load in any position
- cable outlet upwards, downwards or at the left
- closed gearbox to protect against environmental influence
- free spool - to disengage the drum
- adjustable crank
- suitable for wall and floor mounting
- 1 layer of paint
