

Felco Wire Rope Cutter

Product information

Cut both hard-drawn wire like steel-, copper- and aluminum wires, electric cables and multi wire ropes. The cutting edges are shaped to form a grip of the rope, in shape of a triangle when cutting which prevents un-twisting of the rope end. The edges are made in alloy steel of coromanttype. The cutters are provided with plastic handles.

| Part code | Code | Rope Ø range mm | Length mm | Weight kg | Delivery time |
|--------------|------|--------------------|--------------|--------------|---------------|
| 141500700010 | C7 | 7 | 190 | 0.3 | 20 |
| 141500900010 | C9 | 9 | 325 | 0.8 | 20 |
| 141501200010 | C12 | 12 | 500 | 1.5 | 20 |
| 141501600010 | C16 | 16 | 630 | 2.3 | 20 |
